WAHC 2016 Save the Date Announced
Annual Scientific Conference Scheduled for October 19-21

Colorado Springs, COLORADO, December 21, 2015 – The thirteenth annual [World Aquatic Health™ Conference](#) (WAHC), will be held October 19-21, 2016, at the [Sheraton Music City Hotel](#) in Nashville, Tennessee.

The WAHC is an exceptional educational conference where aquatic industry professionals discuss, learn, and network with like-minded people. [Many attendees](#) proclaim how they come away with new objectives and information that directly relates to their field each year. A new record of 46 states and 11 nationalities were in attendance at the [WAHC](#) in 2015.

Every year, this scientific conference is filled with [seminars](#) covering topics including drowning prevention, facility management, health benefits, health codes, new industry technology, advanced chemistry/DBP, and RWI prevention. Additionally, pre- and post-WAHC meetings can be expected by attendees. Numerous organizations, such as USA Swimming, CMAHC, and Water Safety USA, conduct meetings surrounding the WAHC as conference attendees represent a convergence of the entire aquatic world, collaborating to learn and grow.

The WAHC also offers poster sessions, table top displays for sponsors and other non-profit organizations, a welcome reception, and a closing reception with prize giveaways, including a free 2017 WAHC registration or hotel reservation.

The [National Swimming Pool Foundation](#)® (NSPF®) is the host of the WAHC, and the conference team is once again working hard to compose a memorable and educational experience for all. A [Call for Papers](#) is in effect until January 31, 2015 for all parties interested in presenting at the Conference.

The NSPF would like to extend thanks to two sponsors that have agreed to continue to support this global exchange of knowledge: [PlayCore](#) and [Hayward](#) Commercial Products. If a company is interested in sponsoring the WAHC, the conference team is ready to discuss opportunities via email at conference@nspf.org or by phone at 719-540-9119.

Those interested in the WAHC are encouraged to visit theWAHC.org for more information. To be guaranteed the lowest registration price for 2016, individuals can pre-register with a [\\$50.00 deposit](#) before December 31, 2015. The balance will be due when conference registration officially opens on April 01, 2016.

About the World Aquatic Health™ Conference

This leading global aquatic research forum is tailored for people involved in all aspects of aquatics, those affiliated with aquatic facilities, pool and spa industry, service providers, consultants, parks & recreation, water parks, manufacturers, academia, associations, builders, community organizations, distributors, hotels, government, health/medical, retail, and media. About the National Swimming Pool Foundation®

We believe everything we do helps people live healthier lives. Whether it's encouraging more aquatic activity, making pools safer, or keeping pools open, we believe we can make a difference. NSPF® offers products and programs that are technically sound, convenient, and beautifully designed. As a 501(c)(3) non-profit located in Colorado Springs, CO., proceeds go to fund research and to help create swimmers. In 2016, NSPF will escalate its mission to create healthier lives by joining forces with Genesis, an educational leader for builders of residential pools and spas. The National Swimming Pool Foundation has been keeping pools safe and open since 1965. Visit www.nspf.org or call 719-540-9119 to learn more.
